big fan of reading, but he had me ordered 3 or 4 of these for him.0 of 0 people found the following review helpful. An enjoyable readBy Ghost MuttI really enjoyed reading this one. It has a lot of enjoyable moments that really made me crack a wide smile. Always fun to read these things. Better than the current episodes on T.V.0 of 0 people found the following review helpful. Good EnoughBy Philip L. JohnsonIt ain't the tv show by any standard. However the character's essences are for the most part captured, and for my purposes (get my dyslexic daughter mor interested in reading) it was perfect. A few chuckles here and there. Definitely good stuff for young adolescent humor seekers.
