So I looked for something "in between" and found this one. So far it's a hit!1 of 1 people found the following review helpful. If you like birds and flowers of the 50 states. You will love this.By Deb S.You can't go wrong getting this coloring book. It is fun to color. There is one picture per page. The only kind of coloring book I like to buy.

Relax as you color America's most cherished birds and flowers with this delightful coloring book. All 50 states recognize an official bird and blossomand from Kentucky cardinals and California quail to Mississippi magnolias and

Arkansas apple blossoms, there are all here. Wildlife artist Crista Forest presents accurately detailed illustrations of every state's emblematic treasures. Depicted in their natural environment, each pair of flora and fauna is ready to color with markers, colored pencils, watercolors, or gel pens. Crista gets you started with handy coloring guides that include suggested color palettes and fully colored examples. Printed on one side only of archival-grade, acid-free, 200-year paper, each perforated page detaches easily for gifting or display.

**About the Author** Crista Forest is a professional wildlife artist specializing in traditional realism. Her work is sold in original oil paintings, fine art prints, and licensed in commercial products. Based in Seattle, Wash., she has also illustrated several children's books about wildlife. As the daughter of a landscape painter, Crista has been drawing and painting animals since she was old enough to hold a crayon. Her art captures the playful, cute, affectionate, or curious nature of the animals she draws, creating an emotional connection for the viewer.
