Love the Bitchin' in the Kitchen Cook book.By DianaSomehow in a move, the first Bitchin' in the Kitchen Cook Book I had got lost, so I ordered a 2nd one.

A whimsical cookbook to help PMS sufferers cope with the mood swings, exotic cravings, and pain and suffering of "that time of month" offers recipes for comfort foods, sugary treats, pain killers, and more, accompanied by witty quotes from great women, ranging from Queen Victoria to Barbra Streisand. Original.
