Square Peg : Black White Colour: A Creative Sketch and Doodle Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Black White Colour: A Creative Sketch and Doodle Book:

An inspiring, beautiful, and irresistible doodle and sketch book for creative souls of all agesWe all love to doodle—in meetings, on the train, when brainstorming, or simply whenever we have a pen and some paper at hand. This utterly original and exquisitely produced book is the ultimate starting-point for creative drawing, painting, sketching, coloring, and doodling. Quirky and fun, fine art or naive, whatever your style, there is inspiration here for artists, painters, and idle doodlers alike. There are pages to complete and keep, along with postcard quality pages to cut out and send to friends, loved ones, and fellow creatives. Wonderfully witty and irresistible, this is a must-have as well as the perfect gift.
