This is a novelty book that is more-or-less blank. Perfect for a gag gift to any American with a sense of humor! The title of the book shows as "Positive Accomplishments of the Presidency of Barack Obama", but when they open to read it, they will realize that the book is blank! Hilarious and fun book to leave out at any social gathering! Leave a copy out at school, work, or wherever you want a laugh. Makes a great white elephant gift or funny birthday gift! Makes a great prank too! Be the first of your friends to get this fun and historic souvenir!
