The publisher scams the reader by using the same artist to draw the cover as "Man Walks into a Bar," which is one of the best joke books ever produced. So the assumption is that "Blonde Walks into a Bar" will be a collection by the same "authors." But it ain't so. While the former collection was endlessly entertaining, this collection is endlessly disgusting and just not funny. My admittedly subjective advice is to avoid this book at any cost - even free.

Blasingame this is a very funny book of jokes, not all blonde jokes, like i thought it would be, but still jokes that i think are funny. now i must confess my all time favorite joke book is Milton Berle's Private Joke Book from 1989 and its sequel...almost all one liners, at the very least short and to the point in the next breath. not long winded stories that you get lost in before the pay off. there are a few long stories but for the most part it is just what i like. short and to the point, not dirty, not degrading...in less you think blonde jokes are degrading. but most are just a funny twist of logic and mental images to enjoy. i will get the other books in this series. it helps to take life with a slice of lime and smirk or a belly laugh, because we aren't going to get out of it (life) alive. so enjoy the bumpy ride.

By The Crow This book is so funny and contain more one line jokes, "think about it a moment and get it" jokes and job specific, cultural specific and other jokes it's a blast to have around. Drunks, lawyers, blonds, marriage, dogs, cats, you name it, it's covered. Bought two copies, one for me and one for my late mother and she laughed all the time. I never get tired and have had it for at least four years.

DO YOU WANT TO HEAR A JOKE? Better yet, do you want to be the person who keeps friends laughing with a new joke every day? Packed full of THOUSANDS OF JOKES on every topic from HUNG-OVER ACCOUNTANTS TO HORNY ZEBRAS, this book offers you over-the-top jokes that will have everyone laughing out loud. What's the difference between a bartender and a pharmacist? "Nothing, the bartender just has a limited selection." What do West Virginians do when their car breaks down? "Build a house next to it." Why were the blonde's boobs square? "Because she forgot to take the tissue out of the box." Two former classmates meet at a reunion. The first proclaims, "I'm a garbage man." I'm a lawyer, replies the second. Honest? asks the first. "No, just the normal kind," says the lawyer. "I come from a small town where the population never changes." "Each time a woman gets pregnant, a man leaves town."
