Mark Mason : Bluffer's Guide to Football before purchasing it in order to gage whether or not it would be worth my time, and all praised Bluffer's Guide to Football:

0 of 0 people found the following review helpful. Perfect for Football NewcomersBy MichelleBeing a complete noob to football, I thought that the Bluffer's Guide was both thorough and humorous with its delivery of the rules, history,

and other facts about the game. This guide came especially in handy with the oncoming of the World Cup. I would definitely recommend this for anyone who is curious about football and to football fans who might find the commentary worthy of a chuckle.
