Doug Moe : Man vs. Child: One Dad's Guide to the Weirdness of Parenting before purchasing it in order to gage whether or not it would be worth my time, and all praised Man vs. Child: One Dad's Guide to the Weirdness of Parenting:

5 of 5 people found the following review helpful. Great gift for funny dads and funny soon-to-be dadsBy S. OzolsHilarious, honest, and spot-on. Parenting is terrifying, and this book takes some of the pressure off by coming from a place of truth and humor. You can tell the author actually is a contemporary dad... he covers everything from

babies to older kids, including birth plans, what to name your kid, how to deal with annoying children's TV characters, and how to get through your kid's very boring stories. The whole thing is great!4 of 4 people found the following review helpful. A must read for comedy fans with or without kids!By ben rameakaThis book is hilarious! I couldn't stop laughing out loud throughout. Moe's perspective on child-rearing is insightful, hilarious, engaging, and hilarious (I said hilarioustwice because it's so funny). Do yourself a huge service and pick this book up!3 of 3 people found the following review helpful. Fortunately, his observations are both hilariousBy Michael RyanThe title alone says it all. As a dad who does battle every day I can well relate to everything Doug shares here. Fortunately, his observations are both hilarious, and filled with awe and joy; otherwise, this title might well be found in the Horror section. So whether you are seeking a guidebook for future plans, or a brilliant recap of times past, read it.

Named one of Amazon's Best Humor and Entertainment books of 2017 so far."Doug Moe has written a delightful and helpful book that gives real advice about the Wild West world of raising children."

"Moe 'describes the awed affection new fathers may have for their children with relatable humor and genuine insight, offering a promising resource for the curious and the clueless.'" -The New Yorker "From tackling toddler meltdowns to bringing up baby in any conversation, comedian Doug Moe's irreverent take on the absurdity of fatherhood is a refreshing read for new dads. It feels like you're chatting with a friend who admittedly doesn't know everything, but does know exactly what you're going through." - Pregnancy Newborn Magazine "Wow is it terrific -- funny, smart, relatable, and actually filled with some very good tips, from handling sleepless nights for tips to get rid of your kids' weird friends on playdates." - Cool Mom Picks
