Mir Ador : Mandalas and Quotes: An Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Mandalas and Quotes: An Adult Coloring Book:

Work is stressing you out? Need some time away from the kids? School work is driving you crazy? Here is a little book to help you clear your mind. Relieve your stress by meditating on an inspiring quote while you color a page. On each page you will find an inspiring quote to meditate on. While you do that, take out your favorite coloring instruments and have fun coloring each page. Hope you enjoy it!
