P. Jones Bought it for my grandson. I thought he'd like the black pages and I liked the simple words of wisdom with each page. Haven't heard if he's worked on it - teenagers! But at least Grandma is trying! 0 of 0 people found the following review helpful. A good purchase! By CustomerLove the quality of the book and pages. It's near how the pages aren't all white, they have a black background which makes the art work colors really POP!
