Good quality By Customer This is a fun coloring book for adults or older children who love dragons.

Enter a fun world of manga adventure as you color powerful dragons! More than just a coloring book, Manga to the Max Dragons takes you inside a fully developed world-building adventure. And by coloring the pages, you get a chance to bring that world to life. The narrative begins with a dynamic introduction to a new fantastic world. There you'll meet 32 fiery beasts to color and create. These awesome dragons come with their own distinct storylines, introduced on the flip side of the coloring page. Ten pages of fully colored design examples are provided to get you started, along with a handy guide to manga drawing and coloring techniques. Printed on high-quality, extra-thick

paper, all of the pages are perforated for easy removal and display.

Color a Manga World of Adventure  
The year is 2238, and humans now share the Earth with alien incomers from other worlds, including many unique dragons. Hunted and chased from their homes in the Universal Empires (UE), these weakened dragons have come to Earth seeking refuge and acceptance. Together in one place for the first time in millennia, dragons unite as they seek to regain power in the universe... Part coloring book, part drawing lesson, part sketchbook, and part story, *Manga to the Max: Dragons* takes you inside a futuristic world-building adventure and shows you how to bring that world to life. Inside you'll find 32 pages of awesome dragons to color and create, each with its own distinct storyline, introduced on the flip side of the coloring page. Stunning full color examples are provided to get you started, along with an expert guide to crafting, drawing, and detailing your own unique manga characters. Printed on high-quality, extra-thick paper, all of the pages are perforated for easy removal and display.
