The hardcover is cheaper and that is why. They are actually two different books and shouldn't be mixing them up. 1 of 1 people found the following review helpful. A Dog of many faces. By wendy robinson Snoopy fans, do you love the beagle in his many guises? If so, this is the book for you. In The Many faces Of Snoopy we see him as the League Beagle, Joe Cool, Beagle Scout and as the World War I Flying Ace...all the strips featuring Snoopy as these characters, assisted by the Peanuts Gang and Woodstock. 7 of 7 people found the following review helpful. This Christmas Gift Made A Hit By Carolyn McGarraugh I bought this book, The Many Faces Of Snoopy, for my 10 year old great nephew for Christmas. Since he lives in New York I wasn't there to see him open it. However, I was told that he opened it first, started reading it aloud to his Mother and Grandmother, and wasn't interested in opening any other gifts until he had finished reading the entire book. I would highly recommend this book for any Snoopy fan.

Introducing ... the many faces of Snoopy, the world-famous beagle who is a canine master of disguise! Snoopy is no ordinary beagle! Throughout the years, he has adopted many personas, each unique and full of personality. As Joe Cool, he's aloof, unflappable, above the fray, the hip dog we'd all like to be. As the World War I Flying Ace, he engages in aerial combat with the notorious Red Baron. Snoopy has adopted various guises, and pretended to be all

sorts of different animals . . . and people. The Many Faces of Snoopy celebrates eight of Snoopy's most popular alter egos, along with quotes from Snoopy himself.

About the Author Charles Schulz is a legend. He was the hand and heart behind 50 years of Peanuts, which featured one of the world's most beloved and recognizable cast of cartoon characters, until his death in 2000.
