A great new Dot-to-Dot book!By Dad of DivasThis was a great new book for any fan of Guardians of the Galaxy. Get ready to be challenged by some very cool Dot-to-Dots and also have a blast in coloring the completed pictures afterwards. The images that you get really work to draw you into the Guardians of the Galaxy world. I know my daughters loved making these and to be honest I did too!

Join your favorite band of interstellar heroes on a thrilling adventure from best-selling dot-to-dot artist Thomas Pavitte.
