Would you, in an extra-inning tie game, intentionally walk the lead off batter—and has a major league manager ever done so? Is it better to use your best pinch hitter early in the game if your team has a chance to increase its lead? Baseball lovers can go head-to-head with the real-world experts—the managers, pitchers, and bombers with the bat—and test their knowledge of their favorite sport. See how your choices at the dugout compare; put on the spikes and learn why hitters hate the splitter; and discover what it takes to become a star of the diamond.
