CharmingBy egs96It's been a long time since I've read a book that is both intriguing and wholesome, and Matrimonial Magic and Mayonnaise is both of these and more. The family relationships and descriptions of family activities are honest and funny and take me back to my own childhood. It is an added bonus to be given the wonderful, magical recipes. I heartily recommend a full helping of this book!

Recipe for Matrimonial Magic And Mayonnaise 1 cup of a groom who spends his wedding night in jail, cup of a

grandmother whose magic recipes attract older suitors and encourage young lovers, Add 3 Tablespoons of a malicious neighbor intent on political mayhem Stir in four young lovers, a Texas judge, a heart doctor and a smart, young computer executive. Mix thoroughly all ingredients and bake in Iowa at a spring temperature. Turn out on a platter on a beach in the summer or by a fire in the winter and read this humorous novel based on an extended Iowa family and exploring the truth that when you visit heaven or a farm or house in Iowa you will be offered food. If no food is offered, then you are not in heaven and certainly not in Iowa! Enjoy!
