Not to be confused with Mad Libs—those lame things kids do—ManLibs was created by guys for guys. You still fill in the blanks, but there's no need to watch your mouth; in this case, words that make your girlfriend cringe earn you extra points. Based on the original Maxims of Manhood, here's your chance to make your own rules for the situations every real man needs to know how to handle, such as: Keeping an empty urinal between you and the next guy Properly ordering a steak Keeping one-night stands classy Slapping another guy on the ass Add booze and you've got a great way to kill time between games.

About the Author Max Biggs has been a bouncer, a bartender, an amateur race car driver, and currently promotes mixed martial arts contests. You can't get much more manly than that. He lives in Jersey City, NJ, the macho state.
