Pamela A. Wright-Fischer : "May I quote that?" before purchasing it in order to gage whether or not it would be worth my time, and all praised "May I quote that?":

We all have something to say or you know what some people always say. That favorite saying we always have close at hand or prediction of what a friend or family member will say. This little book contains some of my favorite quotes; some from famous people; my own family members and some I myself have written.
