My order arrived a couple days after promised, and refunded the cost of the item. Thanks!3 of 3 people found the following review helpful. He never saw it Coming!By Christian S. CoanThis was supposed to be a gag gift, but the contents were so amazing that the gift turned out to be a remarkable gift for this young man. He is now dedicating himself to finishing his undergraduate degree and is committed to pursuing an MBA.Thank You!!!!0 of 0 people found the following review helpful. HA!BA in a box! It was funny and everyone at the party could relateBy cteal1This was a gift. She opened it up and read some of the contents aloud. It was funny and so true to a recent grad that needed some time off before the next educational segment.

About the AuthorEthan Trex spent four years working towards a doctorate in health economics at the Wharton School before escaping to freelance writing and the promise of a better dress code. He has coauthored three other books with needlessly long titles, including Faking It: How to Seem Like a Better Person Without Actually Improving Yourself.

He can't believe that IKEA's technically a charity, either.
