I got this for my best friend when she moved back homeBy Kelsie LampsonI got this for my best friend when she moved back home. Adorable and fun bookBy Leighanna M. SizemoreThis book is adorable and really fun to fill out with someone you care about. My husband and I bought this for our vacation to Alaska together to help pass the time while sitting in coffee shops or at restaurants and it's been really fun to fill out. I would suggest having some colored pencils on hand or something though, as there is a lot of doodling.
