In the Medical Bloopers 2013 Day-to-Day Calendar real-life doctors, nurses, and other medical professionals administer a daily dose of humor as they share medical-chart gaffes, transcription blunders, and amusing anecdotes. For example, a man stopped in the radiology department of a hospital to ask directions to the IUD. After a moment of confused silence, one of the radiology employees directed the man to the ICU. When the man was safely out of earshot, the staff burst into laughter.
