**Jonny Hawkins : Medical Cartoon-a-Day 2014 Calendar: A Daily Dose of Medical Cartoons** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Cartoon-a-Day 2014 Calendar: A Daily Dose of Medical Cartoons:

Jonny Hawkins examines the zany world of medicine and dispenses a daily dose of humor in the Medical Cartoon-a-Day 2014 Calendar. Amusing waiting-room antics, peculiar patient scenarios, and laughable hospital high jinks greet medical professionals each day.
