before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Limericks by William J. Stone MD (2013-04-26):

0 of 0 people found the following review helpful. A fun way to tap the knowledge that can only come ...By Hayden Ross-ClunisA fun way to tap the knowledge that can only come from attending medical morning report at a top notch medical center for decades.A great book by a great clinician. I recommend the whole series.2 of 2 people found the following review helpful. Very well done, extremely thought provoking casesBy LCFfrom a highly experienced academic physician whose medical knowledge and acumen have no boundaries. Real cases from years of attending at one of the finest medical schools in the country.2 of 2 people found the following review helpful. An extraordinary collection of medical knowledge and wisdomBy Clifton K. Meador, Sr.Bill Stone's Medical Limerick's (now in Volume III) is an entertaining and running encyclopedia of the medical literature. The limerick format is well done and adds so much to the content. I think these books will in time rise to the level of Osler's Aphorisms as medical classics. Every medical student, resident, and fellow should have a full set of these books and read and reread each volume. I look forward to a Volume IV and beyond.Clifton K. Meador, M.D.Professor of Medicine,
