Volker Lange : Meeting Madness before purchasing it in order to gage whether or not it would be worth my time, and all praised Meeting Madness:

New medical cartoons from Volker Lange – A sharp-witted and philosophically appropriate gift idea for lovers of medical caricatures. Situations that every meeting visitor knows – being picked on or picked up by a formidable pen – by a meeting attendee who had the chance to observe his colleagues both from the podium as well as from the auditorium.... Meetingitis is everything that can occur there.... Again another real Lange-Cari cartoon volume that will not only amuse meeting attendees.

About the Author Professor Lange is the head physician for the Surgery Department, Schlosspark Clinic, Berlin, Medical School Hospital of the Charité, who became known as a cartoonist for his numerous caricatures in various medical journals (e.g., Deutsches Arzteblatt), his books and calendars.
