So far I've used Staedtler metallic felt tip pens, Stabilos, and Faber Castel coloring pencils and the paper has held up quite nicely. Each design in it is really well done - there aren't any fillers or padding

Great designs, but just my type of book. By Marci Peterson. I bought this book would be fun to color, but it was just not my cup of tea ! The book does have fun pictures that are very detailed and most likely someone would like to color them, but this book is just not me.
