It is something entirely new for me. It would be great if there were more random memes Grab this book. Recommend to everyone who loves a good laugh!0 of 1 people found the following review helpful. Meh. The memes are by far not the funniest ...By Jill H.Meh. The memes are by far not the funniest I've seen lately. Bought this for my son's time capsule for his first year and debating whether to even put it in there.0 of 1 people found the following review helpful. not very funny, poor grammarBy Fritz ThomasAwful picture quality, not very funny, poor grammar. Not worth purchasing.
