**From Brand: Sourcebooks : Men Are from Detroit, Women Are from Paris** before purchasing it in order to gage whether or not it would be worth my time, and all praised Men Are from Detroit, Women Are from Paris:

This hilarious collection of cartoons by women making fun of men pulls no punches and takes no prisoners. From "Garden Variety Guys," "The Male Mind," "Talking to Guys," and "Fantasy Men," among other sections, women cartoonists take off after the elusive male of the species, poking fun at all those qualities women love to hate and can't live without. Love, romance and dating, not to mention sex, are of course hot topics in this collection. Features Nicole Hollander, Roz Chast, Jan Eliot, Lynda Barry, Mary Lawton, Marian Henley, Nina Paley, and many others.

About the AuthorRoz Warren is the editor of numerous humor and cartoon collections, which showcase well-known and syndicated cartoonists and humorists, as well as the newer, younger, or more subversive set.
