**Tim Mikkelsen, Phyllis Wright-Herman, MikWright Ltd. : Mikwright Family Style** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mikwright Family Style:

I am respectful to all people, yet I do not find this book offensive - it is wamly human and funny. It shows old black and white photos from the 1940's and 1950's +/- with brief, witty lines beneath them. I have shared this book with many others, and given it to people as a gift. I ALWAYS get big thanks from everyone who receives it. It's been around a while, but is still a great laugh.0 of 0 people found the following review helpful. Five StarsBy ClaudiaHave given so many of these for gifts, ALWAYS a big hit. Thanks0 of 0 people found the following review helpful. Love it!By TeacherThis book is a hoot! My sister gave me mine...and I've since purchased seven or eight to give as gifts to my "warped" friends! Love it!

Flagrant exaggerations and distorted facts begin to unfold as members of Tim's, Phyllis's, and Bob's families are exposed for a greeting card venture gone mad!MikWright . . . Family Style seeks to follow in the footsteps of the overwhelming success achieved by its four predecessors by being bigger and better. In a style that remains unmatched, the MikWright group attaches irreverent prose with an in-your-face attitude to traditional family photos (which are quite entertaining themselves).This time around, MikWright . . . Family Style highlights some of the people in the photographs through stories and quips penned with the biting wit that has given this series of books its own distinctive

brand of humor.

About the Author Tim Mikkelsen and Phyllis Wright-Herman created MikWright, Ltd., by pairing their own family photos with homespun witticisms to create a line of greeting cards. That greeting card line has grown and now includes books, calendars, napkins, magnets, note cards, journals, mugs, coasters, and more. Tim, Phyllis, and Bob live in Charlotte, N.C.
