Christopher Stephen Toulouse : Mildred Stella's Grand Vacation: Ghost stores for parents and kids (The Zachary Stories) (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mildred Stella's Grand Vacation: Ghost stores for parents and kids (The Zachary Stories) (Volume 2):

Zachary finds out a lot more about Mildred Stella and goes on a series of subway adventures with Pamela all over the sprawling metropolis of Big Hat. When Big Hat's Member of the Parliament of the Dead retires, Aunt Persethememe

is ready to take his place, but Zachary has other ideas and persuades Mr Maynard to run in the bye-election.
