bought this box and take a few postcards with me every time I'm on a journey, and I love coloring them in. Some are very intricate and take a while to finish, but they'll keep you occupied for hours and look great at the end. The paper is a nice weight, too. 1 of 1 people found the following review helpful. Love this! By M. Vidrine Love it!! Lots of great pics and because they're postcards they have a purpose when you're done coloring!! 0 of 0 people found the following review helpful. Five Stars By Customer perfect size for coloring with lots of detail. Just beautiful with any pencils or water based markers
