David Rowe : Mindless Colouring 101: For every political tragic before purchasing it in order to gage whether or not it would be worth my time, and all praised Mindless Colouring 101: For every political tragic:

A colouring-in book like no other. Featuring more than 100 drawings by award-winning cartoonist, David Rowe, of Australia's notable Federal leaders past and present. Rather than a route to mindfulness it opens the way for busy political tragics to render our leaders in their true colours. For over twenty years David Rowe's cartoons and caricatures have appeared in the Australian Financial Review and other Fairfax publications. 'David Rowe will keep your cortex trim and taut.'—Max Gillies
