Kurt Schuermann writes with humor and grace about the everyday happenings in a pastor's life. After being forced to purge his book collection by a move to a smaller office, Schuermann discovers a dark truth about himself: he is addicted to ten-step books. In this book he collects the things that he has found to be true since he threw away his collection of ten-step and how-to books. Topics of the fifty-two reflections include the minister's call, church-growth seminars, and the local church.
