Many confessions that help to understand his vision of life and values. I recommend this book to those who followed Rius since his classic Los Supermachos and later Los Agachados and all his list of amazing books. Great author and more great person.0 of 0 people found the following review helpful. For those who

FarfanFor those who have enjoyed other books from Rius this is a book that, although it doesn't have many drawings, recounts his life (his childhood, his years as a seminarian, people who met, his first incursions as a cartoonist, etc) with his already known sense of humor.0 of 0 people found the following review helpful. Sobre las confusionesBy JOSE LUIS GARZA DEL POZO Pues este libro hace honor a su título, donde el mismo autor narra las confusiones que ha tenido en su vida, ya que en algunos casos ha cambiado de opiniones y actitudes en un giro de 180 grados. Pero que se le va hacer, como se dice: humano...demasiado humano.

Veinte años han transcurrido desde que Rius publicó su primer ejercicio autobiográfico, memorial: Rius para principiantes. En él "digo una buena parte de lo que escribí para este nuevo libro. Aquel fue celebrando mis 40 años como caricaturista y 60 de vida. Este sería para celebrar (o recordar, más bien) mis 60 años de monero y 80 de edad" escribe el autor en el prólogo y a su vez, con el humor que siempre empapa sus textos, advierte que el lector no encontrará mayor diferencia entre un libro y otro, a menos que éste, el posible lector, sea masoquista: "En estos últimos veinte años he trabajado menos, he viajado menos y he follado menos, lo cual es completamente Normal para el ser humano. ENGLISH DESCRIPTION Twenty years have transpired since Rius published his first autobiographical memoir account: Rius for Beginners. In it, "I say a good portion of what I wrote for this new book. That was to celebrate my 40 years as a caricaturist and 60 years of life. This will be to celebrate (or, rather, to remember) my 60 years of being a political cartoonist and 80 years of age," writes the author in the prologue. At the same time, with the humor that always saturates his texts, he warns that the reader will not find a large difference between the two books unless this potential reader is a masochist: "In these last twenty years, I have worked less, I have traveled less, and I have shagged less, which is completely normal for a human being.
