**Barbara Brooks Wallace : Miss Switch Online** before purchasing it in order to gage whether or not it would be worth my time, and all praised Miss Switch Online:

If you think nothing much is going on when Rupert P. Brown III begins sixth grade at Pepperdine Elementary School, you'd be dead wrong. Consider the following: a new teacher with the unlikely name of Miss Blossom; a new principal

who has all the girls swooning; a talking bird who thinks he's a math whiz; a computer that goes berserk and produces a Web site called computowitch.com that not only displays some very ominous poetry, but whose password is the name of a witch Rupert has tangled with in the past. Yes, a witch! Faster than you can say "witchcraft and wizardry," Rupert figures he could be in big trouble. He can really use the help of Miss Switch, a real, honest-to-goodness witch herself, who also, amazingly, was once a former popular teacher of Rupert's class at Pepperdine. He has reason to believe she's back, but where? Once again, Rupert records another scary (well, sort of) and funny encounter with Miss Switch. His earlier accounts, equally scary and funny, appear in the books *The Trouble with Miss Switch* and *Miss Switch to the Rescue*.
