Potter : Mixed Messages Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised Mixed Messages Journal:

Mix it up with this delightful take on the classic cassette tape! Mixed Messages Journal evokes the nostalgic spirit of everyone who ever spent painstaking hours devising the perfect mixtape. This gorgeously-designed blank journal mimics the look and feel of a classic cassette tape: die-cut tape spools and an embossed design on the cover, a sticker sheet (to write the Side A and Side B "names" on your journal), a stained book block, and a black ribbon marker (to evoke the dreaded unspooled tape of a ruined mixtape).
