From Laughing Elephant : Mod à La Mode: An Adult Coloring Book Featuring Fashions of the 60s and 70s before purchasing it in order to gage whether or not it would be worth my time, and all praised Mod à La Mode: An Adult Coloring Book Featuring Fashions of the 60s and 70s:

Fifteen images of sixties and seventies fashion to color, keep, share and enjoy.The late-middle twentieth century was largely a time of optimism, social change and creative freedom, a mood reflected in the fashion of this era. Colors were bright, and silhouettes could vary wildly from season to season. As the 1950s moved into the 1960s and beyond fashion turned its eye towards the youth market, and a much wilder aesthetic dominated; skirts became shorter, prints

bolder, and rules of all kinds were abandoned. For this coloring portfolio, we hunted through our treasure trove of pattern catalogs and magazines from the sixties and seventies, seeking out the funkiest, grooviest, wackiest and most fashionable images for coloring enthusiasts of all skills.
