**Han Hoogerbrugge : Modern Living: The Graphic Universe of Han Hoogerbrugge** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Modern Living: The Graphic Universe of Han Hoogerbrugge:

This book and full-length DVD show the unparalleled and offbeat work of one of the most original and popular artists and animators currently active on the Internet and beyond: Han Hoogerbrugge. Topics include his animation and sound design for his groundbreaking flash animation series Hotel, Nails, and of course Modern Living/Neurotica.
