Peter O'Donnell, Jim Holdaway : Modesty Blaise: Mister Sun (Modesty Blaise (Graphic Novels)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Modesty Blaise: Mister Sun (Modesty Blaise (Graphic Novels)):

1 of 1 people found the following review helpful. Love it A+++++++By BjornLove Modesty and willie0 of 0 people found the following review helpful. Five StarsBy Eija ViuhkoThis was in very good shape. Like new, only little weariness in corners but otherwise quite okay.1 of 2 people found the following review helpful. Modesty BlaiseBy S. VenkatramanGreat books very exciting to read - although sometimes the books themselves are very poor quality

Part of the Modesty Blaise series, this comic book sees Modesty caught up in the Vietnam War. Thrown into a searing hotbed of danger and conspiracy, Modesty will need all her skills and instincts when she incurs the wrath of a Hong Kong master criminal.

""As a reader--and yes, a fan--and as a fellow professional, there are few series I've enjoyed as much as Modesty Blaise. "She and Willie Garvin are two of my favorite characters, whose adventures I've enjoyed since their debut. The villains are diabolical, the schemes are wicked, the supporting cast a delight. I looked forward to each new novel the way the neighborhood kids do the next installment Harry Potter."About the AuthorPeter O'Donnell has written in many media, but since he created Modesty Blaise, which was first published in 1963, he has achieved international success. There has even been a film and a TV version of the character. Jim Holdaway held a wide variety of jobs from rubber engraving to shoe advertising but eventually found success working in the comic industry. Among the long list of comics he contributed to were Comic Cuts and Mickey Mouse Weekly.
