MOM features all the funny sides of motherhood. Cathy has mirrored so much of a typical girl's life. You help but relate with so many instances. MOM is really one of the four basic guilt groups. You'll feel guilty if you don't get a copy of this book!

Cathy is like a longtime friend who shares the same fears and frustrations as most women: the frightening sight of too-tight swimsuits in a dressing room mirror, the relentless call of the refrigerator, and men who are never quite right. This gift book features one of Cathy's most popular subjects: Mom. This is a cartoon soul mate. Readers will find comfort, solace, and lots of laughs.
