REAL LIFEBy CustomerAwesome reality of a day in the life of mom and daughter/child. I loved it so much, I purchased 10 copies to share with family and friends.

Her Mom is in crisis....she's having a bad hair day! When her daughter sees the difficult time mom is having trying to style her hair, she comes to the rescue to help mom solve her problem. Wife, mom, author and occasional bad hair day victim, Eunita Booker has written a humorous story about a problem mom's all over face daily. Told through the eyes of her nine year old daughter, Mommy's Bad Hair Day will make you laugh and reminisce on all those bad hair days which hopefully are a thing of the past.
