In the third book in the series, hapless, goofy Grampa and his grandson Wiley are in for another zany adventure: They're out to capture Moby Fizz, the biggest, bloated, most deformed bass the world has ever known--dead, alive or deep-fried. Readers be warned: You're about to see prehistoric fish the size of a small town, you'll witness a terrifying pirhana attack, and you'll even see Grampa wearing nothing but a grass skirt. That's right, it ain't pretty. And it ain't easy plunging the depths of Lake Putrid to capture a whale--at least not without the help of Gramma and the reunited Gingham County Ladies water skiing team, and Paco, Grampa's prized pet goldfish.
