What a lucky escape!!0 of 0 people found the following review helpful. Recommend 100%!By melissa muchlerAwesome book! About half way finished with it and love it so far.... I don't know why bother in laws are such awful people... Not all of them... But a lot. Definitely recommend!!!0 of 0 people found the following review helpful. Great light-hearted book about the problems with mother-in-lawsBy

Tim and LauraGreat light-hearted book about the problems with mother-in-laws. I definitely recognised some traits of my own MIL in some of those described here. Thanks for writing it! :-)

Do you have problems with your mother in law? Help is here! Meet the '7 Deadly MILs' - the most conniving, manipulative and downright difficult women you could ever hope to meet. These MILs are wreaking havoc in the daily lives of their DILs (daughters-in-law), yet there is hope because if DILs can understand what makes their MIL tick, then they can learn how to create positive family relationships.

About the AuthorNicola Milan Judy Davies are a mother-daughter team based in Perth, Western Australia who write books about relationships; tackling common problems through the hilarious antics of their many fictional characters.
