John Foster, Korky Paul : Monster Poems before purchasing it in order to gage whether or not it would be worth my time, and all praised Monster Poems:

A collection of poems about one of children's favorite subjects - monsters. Korky Paul's lively illustrations bring to life this popular poetry book.Features a fantastic range of poets including Paul Cookson, Brian Moses and Jack Prelutsky. The mixture of funny poems and zany illustrations makes this book a great way to introduce young children to poetry. Perfect for use in school, as well as for reading pleasure at home.

"...a screamingly funny compilation of 23 poems about monsters under the bed, in the back of the loo, and even behind a mudpacked face that turns out to be a Mom." Halifax Daily News
