Besides the really cool subjects and single sided pages, this book also gives you a page showing a sample of each picture so that you can try color combinations or techniques before committing to the "real" picture.0 of 0 people found the following review helpful. Perfect!By Anita M. MorrisonPerfect!

8.25 inch square format coloring book with 20 delightfully dark mandalas featuring the world's most infamous monsters from myth, literature and pop culture. Watch a video tour of all of the art here: <https://youtu.be/YfxDhRXgy8A> Each spread of single-sided pages features a mandala design, plus info about the creature, additional illustrations to practice on and space to test your colors. Grab your gel pens, fine tips and a good pencil sharpener, because the details can get devilishly delicate...but you're not afraid of that, are you? Monsters include: the Great Old Ones, Vampire, Daikaiju, Balrog, Witch, Wyrm, Medusa, Bigfoot, Mummy, Wendigo,

Slenderman, Leviathan, Minotaur, Jorogumo, Zombies, the Grim Reaper, Werewolf, Chupacabra, T-Rex and Alien.
