**Ednor Therriault : Montana Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series):

0 of 0 people found the following review helpful. dont frget apout MontanaBy shopperWe bought lots a little books

for our Montana trip half of them we didn't have a chance to read because we were driving down the road thinking we were going to be reading to each other and instead we were either fighting or trying to figure out where the hell we were. Needless to say they're fun to look at now and say oh we're with her.0 of 0 people found the following review helpful. Can't wait to see some of these when we drive ...By MT thru M'sia CA into NJCan't wait to see some of these when we drive across Montana in the summer. Grew up there but didn't even know some of these existed!1 of 1 people found the following review helpful. Love itBy LivintheDreamLove this book. It is very interesting and has items from all over the State. It is a little limited on coverage east of Billings...most people think that Montana ends east of Billings. However, having lived out in that part of the State for a while I was even aware of many more interesting items than the author seemed to cover. However, that is a minor detail and doesn't detract from my star rating. It was enjoyable to read and definitely added some items to my family's plans for the next time we are travelling through Montana. If you are going through Montana this is a great book to keep in your glove box as a reference and to help you stretch your legs by stopping by some of these places. If you are from Montana and have travelled around very much you will recognize a lot of these sites.

This laugh-out-loud guide will introduce readers to the offbeat people, places, and events of the Treasure State.

From the Back CoverYour round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Treasure State has to offer!
