Beautifully drawn pictures, some intricate, some more simple - you can color depending on how the mood takes you ... and accompanied by information about each deity and a mantra, too. Its truly fascinating, and I can't wait to get cracking!!!! Thank you 0 of 0 people found the following review helpful. Five StarsBy Kali S. WightCute pictures

Take a journey across the pantheons of the world and allow your creative energy to flow, colouring in images and

mandalas for some of the most interesting and inspiring deities. Each deity has a beautiful image to colour in using paints, pencils or pastels, whatever your preferred medium. Also included is a deity specific mandala, some information about them and a chant or mantra to use when colouring to help that creativity and spirit to flow. The goal of each colouring image is to provide a meditative tool for your spiritual journey... or you can do it just because it is fun!
