**Chery James : Moos In Shoes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moos In Shoes:

0 of 0 people found the following review helpful. What a delight!By Teacher-ReaderThis is an adorable children's book that teaches some valuable lessons. Don't miss it!0 of 0 people found the following review helpful. Five StarsBy Sheryl H.Very cute!!2 of 2 people found the following review helpful. Five StarsBy RobinThis is a great book! I love the characters! The author shows so much creativity!

Moos in Shoes is the story of a small herd of discontented cows and one reclusive bull. The cows live busy but seemingly unproductive lives. Everything changes for the cows when a shoe-delivery truck driver, driving much too fast, loses part of his load of shoes on the cows' pasture. After a plethora of shoes explode from the back of the truck,

the cows make a most profound fashion statement and discover something greater.
