A graphic novel from the minds behind the comic strip TUNDRA!Zack del Pollo is the new park ranger in town and he soon finds that Gangrene Gulch, Alaska isn't Mayberry.It s a town populated with all sorts of odd woosy folks, including a pretty, young coroner's assistant; anarcolectic dispatcher; two slightly inbred tow truck/ambulance drivers; a herd of hippies; several puppets; amountain pirate; and, oh yeah, an ancient, homicidal half-man/half-moose.Zack, together with his crusty boss, Mike, as well as Samantha the coroner's assistant, start to notice astrange pattern with

several recent moose trampling incidents. They quickly find themselves hoof-deep in asupernatural moister chaos.
