**Gelett Burgess : More goops and how not to be them : a manual of manners for impolite infants, depicting the characteristics of many naughty and thoughtless children, with instructive illustrations** before purchasing it in order to gage whether or not it would be worth my time, and all praised More goops and how not to be them : a manual of manners for impolite infants, depicting the characteristics of many naughty and thoughtless children, with instructive illustrations:

0 of 0 people found the following review helpful. The GoopsBy james m aaronThis is a great classic that is still

relevant for kids of a certain age ( I think maybe younger than 10 or 12). Wish our political leaders had read when they were young. For this edition, I thought the cover and print quality could have been a little better. It's great to have.0 of 0 people found the following review helpful. Five StarsBy GCI'm very grateful to have found this well written child's book on etiquette0 of 0 people found the following review helpful. Great lessons in fun poemsBy SeppeThis book reminds me of a book my grandmother used to read to us about good manners and behavior. A classic.

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

About the AuthorFrank Gelett Burgess was born in Boston in 1866. After getting a degree from MIT in 1887, he moved to California to teach at U. Cal Berkeley. While there, and later in New York and Paris, he wrote many humorous novels, poems and stories, many of which are still in print, including *Goops and How to Be Them*, *More Goops and How Not to Be Them*, and *The Purple Cow*. Burgess died in 1951 in Carmel, CA.
