The jokes were lame and not even funny. I felt bad for him when he tried reading the jokes out loud and nobody laughed. 0 of 0 people found the following review helpful. Fun Book of QA Style Jokes for Kids By KttyKat16 More Laugh Out Loud Jokes for Kids is 123 pages of fun QA style jokes for kids. Like the previous book, this volume focuses primarily on the QA style jokes. There are two random pages of tongue twisters dotted in, and the remainder of the book is in QA style. I was hoping to see some "punchline story jokes" in here (such as the "two ducks walk into a store" type jokes), but sadly there are none. There are no large illustrations in the book either, so this volume is pure joke fun. My kid comedian had a blast staying up late poring over this book with his cousin, and the jokes were simple enough for younger kids to get. Overall, this is a fun second volume in the Laugh Out Loud Jokes for Kids books. It's a great book for any kid comedian. 19 of 21 people found the following review helpful. A big Hit with Corney Jokes By Kindle Customer I gave this to my 6 year old granddaughter who loves it and tells jokes from it all the time. This was not as popular with her Mom. I got a joke book when I was her age and loved to tell elephant jokes and knock knock jokes. She is a shy intelligent kid. When she tells jokes, the family and others see a different side of her.
