Mike Lepine, Mark Leigh : More Pets with Tourette's before purchasing it in order to gage whether or not it would be worth my time, and all praised More Pets with Tourette's:

0 of 0 people found the following review helpful. It is what it says it isBy Ginger HamiltonI bought this and its companion book as novelties, just to say I had them, because I like the premise. Most of the curses are UK and I'd never heard before, so it's not as much fun as it might have been.0 of 0 people found the following review helpful. It's a bookBy Derek AlbrightIt is exactly what it says it is. It is a bunch of animals with random captions. Not a good gift for a barmitzfa, but its a good gift for an adult friend.0 of 0 people found the following review helpful. funnyBy Mike MusicI love this book it is so funny. I am happy I purchased it. I would not recommend it for anyone under the age of 16

The swearing epidemic tightens its grip on the animal kingdom in this follow-up to Pets with Tourette's
